# Keeping Kids Kozy and Warm thru the Winter

Get your classmates committed, your co-workers gathering, organizations interested and your family united in this effort. Help us keep our children warm this winter.

Please join with us and help provide children toddlers through tweens with some essentials.

## Here's how YOU can help!

Organize your family, friends, churches, clubs and business associates to help us reach out and keep our children warm.

What's needed. New homemade or purchased blankets or throws, pajamas, packages of underwear or socks, and age-appropriate books are essential to kids...and of course a satchel to carry it all.

Volunteers will be working hard this November to guarantee satchels are fill with age, gender and size appropriate items. We'll then match a specific satchel to a specific child for distribution this December.

How do I get involved and help? Come up with your own idea regarding your event on how you will collect blankets, new pajamas, packaged underwear, socks, books and satchels and give us a call. Or, you can simply drop an email to [ministries@isohimpact.org](mailto:ministries@isohimpact.org) for approval. Or, contact us for ideas: we would love to share with you ways to help your efforts be a great success. Call our office at 419.878.8548 and ask for April, our project coordinator or visit our website at [www.isohimpact.org](http://www.isohimpact.org) for more information on this worthwhile project.

## Q and A

**Our group is small and we don't have a great deal of money, any suggestions?**

Consider coming together and filling one or two satchels.

**What kind of satchel are you looking for?**

A satchel can be a gym bag, small overnight bag or suitcase, or a hand made satchel. It needs to be age-appropriate and large enough to carry a blanket or throw, PJ's, underwear, socks and a book.

**I want to help but really don't have a lot of extra time.**

A financial gift of just \$50 will help to ensure each child on our list gets a satchel.

**This is a great project for my group. Do you have any flyers or brochures?**

We're happy to send you flyers & brochures upon request. Or, simply go online to download and print the materials you need.

**How do I get the items collected to ISOH/IMPACT?**

There are drop off stations in and around the Toledo area including our distribution center located at 905 Farnsworth in Waterville, Ohio.

**How do you locate children who need a satchel filled with warm clothes and a book?**

We have a large network of volunteers, pastors, school counselors, and friends who provide us with the names of children who will benefit from this project.
